

WHEN I GET CARRIED AWAY

(chorus)

**I'm gonna let the glory roll when the roll is called in Glory
I'm gonna get beside myself when I get beside the King that day
I'm gonna have the time of my life when the time of my life is over
I'm gonna get carried away when I get carried away**

**Well, I don't know why I become a little shy
When I get around a whole lotta people
And I can't figure out why I never can shout
About the love that floods my soul
Well, I must confess, I can't express
The feelings deep inside me
But the things I know and cannot show
One day will overflow**

(chorus)

**Oh, I'll pass the clouds and shout so loud
it may sound like thunder
My tearful eyes may fill the skies
until it looks like rain
When I leave this world past the gates of pearl
And stand before my Savior
I'll let my soul let the glory roll when from the roll
He calls my name**

(chorus X2)
