

HEAVEN IS

This ole world is not where I belong HEAVEN IS

It was never meant to be my home HEAVEN IS

So I will not hold a treasure here

I'm bound for a land where there are no tears

What is this place of joy so dear . . .

(chorus)

Heaven is where the glorious Lamb of God forever reigns

Heaven is where I'll sing one day with the angels and the saints

Ask me what is waiting 'cause the Savior made me His

HEAVEN IS . . . (heaven is) . . . HEAVEN IS

Oh what is this place our Lord's prepared HEAVEN IS

When He calls my name I'll wake up where HEAVEN IS

There are golden streets and jasper walls

That paradise to my-heart-it-calls and I can't wait to see it all

(chorus)

Heaven is where we'll take our crowns and lay them at
His feet.

Heaven is where we'll join the choir of the ransomed
and redeemed

Oh, the joy of knowing Jesus and to be assured of this

HEAVEN IS (heaven is) HEAVEN IS

(chorus)

Repeat verse above.
