

I BELIEVE I'LL LIVE FOR HIM

(chorus)

I believe He died for me so I believe I'll live for Him

I may not do it right but I'm gonna try

Wherever He may take me is better than where I've been

I believe He died for me so I believe I'll live for Him.

Softly - *He came to me*

Softly - *He said to me, . . . "It'll be all-right"*

"It'll be all-right"

Slowly - *I took to Him*

Slowly - *Just like a friend*

***He let me* - Take my time**

After what I used to be, to think He still has plans for me

For me . . .

(Repeat all)
