

HEAR MY SONG, LORD

(chorus)

Hear my song Lord you fill me with mu-sic

Hear my words Lord you fill me with praise

Take this mo-ment I just can't waste it

This one is yours Lord I give you this day

When I am hun-gry you feed me liv-ing bread

When I am thirs-ty water of life

I will not fear you're always with me

Every need I have you satisfy

(chorus)

Hear your children, O Lord, we are lifting our praise to you

Let singing like incense now rise to your throne

Come dwell in the place hollowed out for your spi-rit

Come make of our praises your temple, your home

(dual chorus)

Hear my song Lord you fill me with mu-sic

Hear your children, O Lord, we are lifting our praise to you

Hear my words Lord you fill me with praise

Let singing like incense now rise to your throne

Take this mo-ment I just can't waste it

Come dwell in the place hollowed out for your spirit

This one is yours Lord I give you this day

Come make of our praises your temple, your home

(repeat dual chorus and end below)
