

THAT'S WHY

**He knew we'd be so lost without Him
that's why He left Heaven's throne
to come as a child to the wicked and wild
not to condemn but atone.**

**He knew that we needed forgiveness—
that's why His mercy was free.
When all hope was lost He became the cost
to ransom a sinner like me.**

(chorus)

**I am liv—ing in the promise . . . there is gra-ce for every need
He knew that we needed a Savior . . . that's why His precious blood flowed
And I do believe every drop was for me . . . and that's why I love Him so.**

**He knew that we all needed healing
that's why He took every stripe.
The hammer and nails, the anguish He felt
was torment that should have been mine.
But He could see hope in the making
for someone as hopeless as me
That's why He rose, over death He imposed
so that I could forever go free.**

(chorus)

**I do believe every drop was for me . . . and that's why / I love Him so.
That is why (that is why) . . . I love Him so (I love Him so)
That is why, that is why I love / Him / so that I s why, I love/ Him/ so.**
