

I CAST MY BREAD UPON THE WATER

(chorus)

**I cast my bread upon the water
By helping my brother
Struggling on life's stormy seas.
I'll be sowing a good seed
By doing a good deed
That'll come back, come back to me**

**Well I picked up the good book
And took me a long look
I believe in each and every part.
But-I-sure rejoice in knowing
About the reaping and the sowing
I really took that lesson to my heart.**

(chorus)

**Well I can't buy my way to heaven
But there's a heaven awaiting
Purchased by our good and loving Lord.
And I'll go on a striving
Trusting and surviving
Holding on expecting my reward.**

(chorus)

**So I cast my bread upon the water (on the water)
By helping my brother (my brother)
Struggling on life's stormy seas.
And I'll be sowing a good seed
By doing a good deed
That'll come back (come back), Come back to me.**
