

GREATLY BLESSED

Greatly blessed . . . highly faaavvored

Imperfect but forgiven child of God.

Greatly blessed . . . highly faaavvored

Imperfect but forgiven child of God.

Standing upright . . . on God's good earth

I'm counting my bless-ings

Great things He has done.

I'm fighting the good fight

With the blessed assurance

That the ba-ttle is already won.

(chorus)
