

WOULD YOU RECOGNIZE JESUS

**If you've never fed the hungry . . . or give clothes to the poor
If you've never helped a stranger who came knocking on your door
If you forgot to send some flowers to a sick and shut-in friend
Well if you ain't helpin' none of these then you ain't helpin' Him.**

**If you've ever seen some children playin' ball behind a school
If you've ever watched an old man plowin' ground behind a mule
If you've ever stopped and listened when you couldn't hear a sound
Then brother you haven't met Him 'cause Jesus gets around.**

(chorus)

**Would you recognize Jesus if you met Him face to face
Or would you wonder if He was just someone you couldn't place.
You may not find Him coming in a chariot of the Lord
Jesus could be riding in a '49 Ford.**

**You can find Him in your Mama's eyes or in your Daddy's face,
You can find He's always there to help you win the human race,
You can find Him in the mountains—downtown or by the sea,
My God is hopin' someone can find Him in you and me.**

(chorus 2X)
