

JESUS IS THE ANSWER EVERY TIME

**When there's no good in your good mornings
Too much hell in your hello
And your kind heart is something less than kind
When you're thinking more about the thorns
Than you are the rose
Jesus is the answer every time**

(chorus)

Je-sus . . . is the answer every time
Jesus

**Jesus is the answer every time
Use the Bible for a rule book
And I think you're gonna find
Jesus is the answer every time**

**When you're thinkin' more about the glory
Than you are the peace
And there's less than good intentions on your mind
When your prayers are filled with things you want
Instead of things you need
Jesus is the answer every time!**

(chorus)

(repeat chorus - tag 'Use the . . .')
