

'TIL THE STORM PASSES BY

**In the dark of the midnight have I 'oft hid my face,
While the storm howls above me, and there's no hiding place.
Mid the crash of the thunder Precious Lord hear my cry
Keep me safe 'til the storm passes by.**

(chorus)

**'Til the storm passes over
'Til the thunder sounds no more
'Til the clouds roll forever from the sky
Hold me fast let me stand in the hollow of Thy hand
Keep me safe 'til the storm passes by.**

**Many times Satan whispered 'There is no need to try
For there's no end of sorrow there's no hope by and by.'
But I know Thou art with me and tomor-row I'll rise
Where the storms never dar-ken the skies.**

(chorus)

**When the long night has ended and the storms come no more
Let me stand in thy presence on that bright peaceful shore;
In that land where the tempest never comes,
Lord, may I dwell with Thee, 'til the storm passes by.**

(chorus)
